

FFA Fundraisers

This year, White County Middle School FFA will sponsor two different fundraising activities for our chapter. All proceeds go to our chapter to help with different activities throughout the school year. I would love for all members to contribute in some way. Below, you will find information about our fundraisers. If your FFA member would like to participate, please check the boxes below and sign and return this form to me. Once the form is turned in, I will send materials home with your students.

As always, call or email me if you have any questions.

Thank you,
